- 1.6 If the Purchaser is made up of more than one person:
- an obligation of those persons is joint and several;

 - signs an authority to proceed;
 - accepts a quotation from the Company that is expressed to be an offer capable of acceptance to form a contract,;

- the Order and/or application for credit (as the case may be) is accepted by the Company on the basis that this Contract, together with the terms of any quotation and/or any notice of acceptance of the Order given by the Company (if applicable), constitutes the entire agreement between the Purchaser and the Company in connection with the application for credit, Order, sale, purchase, delivery and supply of the Goods.
- 2.2 For the avoidance of doubt, clause 2.1 does not prevent the Contract being varied in accordance with clause 27.1.
- 2.3 To the fullest extent permitted by law any prior representations, agreements and arrangements, including representations as to the suitability of the Goods, and any descriptions, illustrations and material contained in any advertisement, website, catalogue, price list or brochure are excluded from, and do not form part of, this Contract unless specifically stated in this Contract to the contrary.
- 2.4 All specifications, drawings, and particulars of weight and dimensions of the Goods are approximate only. Unless the accuracy of such specifications, drawings, and particulars of weight and dimensions of the Goods has been confirmed by the Company to the Purchaser in writing in respect of a particular Order, the Purchaser cannot claim against the Company for any deviation in such specifications, drawings, or particulars of weight or dimensions.
- 2.5 Unless agreed in writing by the parties, the Company does not make any promises, assurances, guarantees or representations whatsoever that the Goods comply with Australian Standards.
- 2.6 Any request by the Purchaser to cancel an Order must be made in writing. The Company may, at its discretion, accept or reject the request and specify the terms and conditions and reasonable charges upon which such request may be agreed to.
- 2.7 Acts and omissions (including, without limitation, in relation to the placement or alteration of Orders) of the Purchaser's directors, employees, former directors and/or employees, contractors, agents and any other person who purports to act on behalf of the Purchaser, shall be treated as the Purchaser's acts and omissions. The Purchaser is responsible for the acts and omissions of its directors, employees, former directors and/or employees, contractors, agents and any other person who purports to act on behalf of the Purchaser, even if they act outside their authority.
- 2.8 All Orders (including alterations to Orders) must be in writing, unless the Company agrees otherwise. If the Company permits the Purchaser to make an Order other than in writing, then that permission applies to that Order only, and is subject to such conditions the Company may impose.
- ## 3. PERFORMANCE
- 3.1 Any performance figures in relation to the Goods given to the Purchaser by the Company are estimates only.
- 3.2 The Company is not liable to the Purchaser or any other person for any loss or damage,

- including any consequential loss or damage (including for example, loss of profits or business opportunity), in connection with a failure of any Goods to attain such figures, unless the Company gives a written guarantee in relation to such figures.
- 3.3 The Purchaser may inspect and test the Goods at the premises of the Company or at other premises with the prior written approval of the Company to verify any of the estimated performance figures. The Purchaser must bear the costs of the inspection, including any transport and any tests except to the extent that inspection or testing is expressly included in the Price.
- 3.4 No performance figures other than performance figures obtained under such inspection and/or testing may be used by the Purchaser to support any claim by the Purchaser.

4. QUOTATIONS AND PRICE

- 4.1 Any quotation in relation to the Goods issued by the Company is an estimate of the cost of the Goods only and does not constitute an offer by the Company that is capable of acceptance by the Purchaser unless expressly stated to the contrary in the quotation. Any quotation may be withdrawn or altered by the Company without notice. Nothing in this Contract, or any verbal representation, shall oblige the Company to honour any quotation that has been altered or withdrawn by the Company.
- 4.2 If the Company does not alter or withdraw a quotation that is expressed to be capable of acceptance by the Purchaser, then it is valid for the period stated on the quotation or if no period is stated on the quotation, then it is valid for a period of 30 days from the date of the quotation. Nothing in this Contract, or any verbal representation, shall oblige the Company to extend or honour any quotation which has expired in accordance with the terms of this clause. Where the Purchaser places an Order in response to a quotation that is not expressed to be capable of acceptance by the Purchaser, then there is no contract formed until the Company accepts such Order in accordance with clause 2.1(a).
- 4.3 To the extent that an Order made by a Purchaser is inconsistent with a quotation issued by the Company, including noting additional requirements or specifications, the Company is not obliged to honour any additional requirements or specifications not included or noted in the Company's quotation and the Company may apply reasonable additional charges as appropriate, and such additional charges shall form part of the Price.
- 4.4 The Price of the Goods:
 - is the amount, confirmed by the Company, that the Purchaser is required to pay to the Company to purchase the Goods;
 - excludes the cost of carriage;
 - includes the cost of packaging; and
 - is GST exclusive.
- 4.5 The Price of the Goods is subject to reasonable adjustment by the Company to take into account any alteration in costs associated with the delivery of the Goods or, in the case of delivery by instalments, prior to the final delivery of the Goods. For the

purpose of this clause 4.5, the Price of the Goods can be increased by the Company:

- (a) at the Company's sole discretion and, with written notice to the Purchaser, if exchange rate fluctuations between the date of any quotation provided to the Purchaser and the date the Company purchases imported Goods causes the cost of those Goods to increase by more than 5%; and
 - (b) without notice to the Purchaser if any government authority imposes any further duty, tax or fee in respect of the Goods or this Contract.
- 4.6 The Purchaser agrees to pay to the Company any reasonable adjustment to the Price of the Goods pursuant to clause 4.5.
- 4.7 Any Price concession or discount the Company provides to the Purchaser is conditional on the Purchaser's full compliance with this Contract and shall not give rise to any expectation of any future Price concession or discount being offered to the Purchaser, and shall in no way oblige the Company to offer any future Price concession or discount to the Purchaser.

5. PAYMENT

- 5.1 The Purchaser agrees to accept and pay for the Goods in accordance with this Contract.
- 5.2 Payment of any invoice issued by the Company must be made:
- (a) in full by the Due Date; and
 - (b) in the Currency applicable to the Order to which the invoice relates.
- 5.3 The provisions in clause 5.2 are a condition precedent to future deliveries and services under this Contract or any other contract between the Purchaser and the Company.
- 5.4 Without prejudice to any other right or remedy the Company may have:
- (a) it may charge the Purchaser interest on any overdue amounts payable by the Purchaser to the Company at the then prevailing penalty interest rate fixed by the Attorney General under section 2 of the Penalty Interest Rate Act 1983 calculated daily on the amount overdue from the Due Date until payment is received in full. If no such rate exists, the Company may nominate an overdraft interest rate charged by a major Australian bank plus 2.5%;
 - (b) it may charge the Purchaser for any costs or expenses, including the Company's reasonable legal costs, incurred in recovering or seeking to recover from the Purchaser, or any Guarantor, any overdue amounts payable by the Purchaser to the Company; and
 - (c) if at any point in time there is an overdue amount payable by the Purchaser to the Company, then:
 - (i) the Company may, at its discretion, notify the Purchaser in writing of all monies payable by the Purchaser to the Company (whether or not the Due Date in respect of those monies has passed);
 - (ii) if the Company notifies the Purchaser in accordance with clause 5.4(c)(i), then notwithstanding clause 5.2, the Purchaser must, within 7 days of receiving the notification, pay all

monies specified in the notice (whether or not the Due Date in respect of those monies has passed) to the Company; and

- (iii) the Company may at its sole discretion suspend or cancel any existing credit arrangement with the Purchaser. The Company may then reinstate any credit arrangement with the Purchaser, on the same or different terms, at any time, at its sole discretion.
- 5.5 The Purchaser indemnifies the Company for any and all expenses incurred by the Company in enforcing the Company's rights against the Purchaser under this Contract or any guarantee provided by a Guarantor and will reimburse the Company as a debt due and payable for such expenses when requested to do so by the Company.
- 5.6 The Purchaser must not withhold payment of any invoice by reasons of set off, counter claim or otherwise.
- ## 6. DELIVERY
- 6.1 The Purchaser must provide the Company with adequate Delivery instructions for the Goods no later than 7 days after the Company informs the Purchaser that the Goods are ready for collection.
- 6.2 Where the Company agrees to provide Delivery of the Goods to the Purchaser:
- (a) the Company may, on or at the time of acceptance of the Order approve and accept the Delivery time;
 - (b) the Company will use its best endeavours to deliver the Goods within the accepted or agreed time with the Purchaser, or if no such time is agreed, then at the Company's reasonable discretion; and
 - (c) any Delivery time is an estimate only and the Company shall not be responsible for any loss or damage suffered as a result of the failure to meet any Delivery date, whether agreed to by the parties to this Contract or otherwise. The Purchaser shall not be relieved of performance because of the Company's failure to meet a Delivery date.
- 6.3 If by any reason of any event beyond the reasonable control of the Company, including any Force Majeure Event, Delivery becomes impracticable or impossible in the Company's opinion, the Company may terminate this Contract by Notice to the Purchaser. In these circumstances, the Purchaser must pay to the Company any unpaid amounts in relation to such Goods (including any variation thereof) that were actually delivered.

7. COST OF CARRIAGE AND PACKING

- 7.1 The Price excludes the cost of carriage from the premises of the Company or another location nominated by the Company to the Purchaser unless otherwise agreed in writing between the Purchaser and the Company.
- 7.2 The Purchaser may specify the carrier to effect delivery of the Goods from the Company or another location nominated by the Company to the Purchaser. Where the Purchaser does not specify the carrier in its delivery instructions, the Company may nominate, arrange or retain the carrier.

- 7.3 The Purchaser must bear all carriage costs, including associated insurance costs, unless otherwise agreed in writing between the Company and the Purchaser.
- 7.4 The Price includes standard packing unless otherwise agreed in writing between the Purchaser and the Company.

8. TITLE AND RISK

- 8.1 The risk in the Goods passes to the Purchaser from Delivery.
- 8.2 The Company is not liable for any loss or damage or deterioration of the Goods after risk in the Goods has passed to the Purchaser.
- 8.3 The Company's rights under this clause 8 secure:
- (a) the Company's right to receive the Price for all the Goods sold under this Contract; and
 - (b) all other amounts owing to the Company under this Contract or any other agreement between the Purchaser and the Company.
- 8.4 All payments received from the Purchaser must be applied in accordance with section 14(6)(c) of the PPS Act.
- 8.5 Until full payment in cleared funds is received by the Company for all Goods supplied by it to the Purchaser, as well as all other amounts owing to the Company by the Purchaser under this or any other Contract:
- (a) legal title and property in all Goods supplied under this Contract remains vested in the Company and does not pass to the Purchaser;
 - (b) the Purchaser must store the Goods separately and in such a manner and maintain any labelling and packaging of the Company, so that the Goods are clearly and readily identifiable as the property of the Company;
 - (c) the Purchaser must not sell the Goods except in the ordinary course of its business;
 - (d) the Purchaser holds and agrees to hold the proceeds of any sale, lease or other dealing with the Goods for the Company in a separate bank account with a bank which does not (and will not in the future) provide finance to the Purchaser; and
 - (e) the Company may repossess the Goods if any amount due in respect of the Goods is outstanding or if the Company reasonably believes that any such amount will not be paid in full when it falls due for payment.
- 8.6 In addition to any rights the Company may have under Chapter 4 of the PPS Act, the Company may, at any time, demand the return of the Goods and shall be entitled without notice to the Purchaser and without liability to the Purchaser, to enter any premises where it suspects the Goods may be located in order to search for and remove the Goods without committing a trespass, even though they may be attached or annexed to other goods or land not the property of the Company, and for this purpose the Purchaser:
- (a) grants the Company an irrevocable licence to enter upon any premises of the Purchaser for the purpose of taking possession of the Goods in accordance with this clause; and

- (b) undertakes that it will procure any necessary authority to enter from any relevant person and also indemnifies the Company from and against all loss suffered or incurred by the Company as a result of exercising its rights under this clause 8.6.

If there is any inconsistency between the Company's rights under this clause 8.6 and its rights under Chapter 4 of the PPS Act, this clause 8.6 prevails to the extent permitted by law.

- 8.7 The Purchaser warrants that it does not intend to use the Goods predominantly for personal, domestic or household purposes.
- 8.8 The Purchaser must, at its own cost, insure and keep insured the Goods against such risks as a prudent owner of the Goods would insure at their full cost price, with a reputable insurance company.
- 8.9 The Purchaser may sell and deliver the Goods as the Company's fiduciary to a third party in the ordinary course of the Purchaser's business provided that:
- (a) where the Purchaser is paid by the third party for the Goods, the Purchaser shall account to the Company in respect of the payment in accordance with the Purchaser's fiduciary obligations; and
- (b) where the Purchaser is not paid by the third party the Purchaser agrees to assign to the Company its claim against the third party upon receiving the Company's written request to that effect.
- 8.10 For the purposes of this clause 8, where the Company supplies particular Goods of the same or similar nature on multiple occasions, where the Purchaser does not make payment in respect of particular Goods, the non-payment is treated as being first in respect of particular Goods of the same or similar nature still in the possession of the Purchaser, and then against particular Goods which have passed out of the possession of the Purchaser.

9. PPS ACT

- 9.1 Unless a contrary intention appears, words or expressions used in this clause 9 that are defined in the PPS Act have the same meaning as given to them in the PPS Act.
- 9.2 The Purchaser agrees that this Contract constitutes a security agreement for the purposes of the PPS Act and creates a security interest (as defined in the PPS Act) in all Goods previously supplied by the Company to the Purchaser and all future Goods supplied to the Purchaser.
- 9.3 The Purchaser agrees to do all such things, including providing any necessary consents, signing all necessary documents, and providing any further information, as reasonably required by the Company from time to time, to enable the Company to register a first ranking perfected security interest in respect of all Goods supplied by the Company to the Purchaser, or exercise any rights in connection with any security interest.
- 9.4 The Purchaser acknowledges that it shall be liable for the costs and expenses incurred by the Company in relation to the registration, maintenance, enforcement or discharge of any security interest, and must make payment to the Company for any such reasonable costs incurred by the Company on demand by the Company.

- 9.5 The Purchaser acknowledges that it shall assist the Company, to the extent required, in relation to the registration, maintenance, enforcement or discharge of any security interest.
- 9.6 Until such time as title to the Goods passes to the Purchaser, the Purchaser agrees not to register, or permit to be registered, a security agreement in relation to the Goods in favour of a third party without the prior written consent of the Company.
- 9.7 The Purchaser acknowledges that it shall not, without prior written notice to the Company, change its corporate or trading name or amend any registration documentation, or act in any manner, which would adversely impact on the Company's registered security interest.
- 9.8 The Company need not give any notice to the Purchaser or any other person (including a notice of verification statement) unless the notice is required to be given by the PPS Act and cannot be excluded.
- 9.9 The Purchaser agrees pursuant to section 115 of the PPS Act:
- (a) that sections 125, 142 and 143 of the PPS Act do not apply to this Contract; and
- (b) to waive its right to receive any notice, details, or other document from the Company under sections 95, 121(4), 130, 135, 132(3)(d) and 132(4) of the PPS Act.
- 9.10 Pursuant to section 125(3) of the PPS Act, the Company may delay disposing of, or taking action to retain, the whole or part of the collateral that it seizes under section 123 of the PPS Act, for as long as it sees fit in its absolute discretion.

10. UNCOLLECTED GOODS: CONTRACTUAL LIEN AND SECURITY INTEREST

- 10.1 The Purchaser warrants that it has full and unencumbered title to any Bailed Goods.
- 10.2 From the time the Company (or its subcontractors, servants or agents) receives the Bailed Goods into its custody, the Company shall have a special and general lien on the Bailed Goods and a right to sell the Bailed Goods whether by public or private sale or auction without notice, for any amounts due to the Company which have been unpaid for a period of 26 weeks.
- 10.3 In addition, the lien shall cover all of the costs and expenses of the lien, including the costs of a public or private sale or auction, including any legal costs and administration costs. The lien and rights granted by this clause 10 shall survive delivery of the Bailed Goods and the Company shall be entitled to retain the proceeds of sale of the Bailed Goods in respect of any outstanding amounts whatsoever referred to in this clause. The Purchaser accepts that any sums due and owing to the Company are secured debts and that any payment made to the Company in discharge of the lien does not amount to a preference, priority or advantage, in any manner or turn.
- 10.4 The Company may sell or otherwise dispose of such Bailed Goods pursuant to clause 10.3 as principal and not as agent and the Company is not the trustee or the power of sale.
- 10.5 From the time the Company (or its subcontractors, servants or agents) receive the Bailed Goods into its custody, the Bailed

Goods and all of the Purchaser's present and future rights in relation to the Bailed Goods, are subject to a continuing security interest in the Company's favour for the payment of all amounts of any kind due to the Company whatsoever and without limitation and for any and all debts, charges, expenses or any other sums due and owing by the Purchaser (or its principals, servants or agents). In addition the continuing security interest shall cover all the costs and expenses of exercising the lien, including the costs of public or private sale or auction, including any legal costs and administration costs.

- 10.6 For the purposes of this Contract, and in particular this clause as a whole, the Company shall be deemed to have custody and possession of the Bailed Goods whether the Bailed Goods are in the actual physical custody and possession of the Company (or its subcontractors, servants or agents on the Company's behalf), and whether or not the Company is in possession of any documents of title relating to the Bailed Goods. The Purchaser agrees that the Company has possession of the Goods within the meaning of section 24 of the PPS Act, even if the Bailed Goods are in the possession of the Company's subcontractors, servants or agents.
- 10.7 The Purchaser acknowledges that the Company may, at the Purchaser's cost, register a security interest in the Bailed Goods, and all of the Company's present and future rights in relation to the Bailed Goods, on the Personal Property Securities Register established under the PPS Act.
- 10.8 The Purchaser will not:
- (a) permit to subsist any other security interest in relation to the Bailed Goods which would rank ahead of the Company's security interest; or
- (b) except in the normal course of business, sell, lease or dispose of, or permit the sale, lease or disposal of, the Bailed Goods, whilst they are in the possession of the Company (or its subcontractors, servants or agents).
- 10.9 In the event of any inconsistency between this Contract and any laws dealing with Uncollected Goods, these terms and conditions will prevail to the extent permitted by law.
- 10.10 The Bailor is liable to the Company, and the Company may charge to the Bailor, the following charges in relation to any Goods or Uncollected Goods:
- (a) a charge of \$70.00 per square metre per month for storing the Uncollected Goods from the date of the expiration of the period specified in the Notice to Collect;
- (b) an administration charge of \$20.00, or such higher amount as may be reasonable, for each item of Bailed Goods; and
- (c) any expenses of the Company incidental to the sale or such other disposition of the Uncollected Goods under this clause 10.
- 10.11 The charges under clause 10.10 are a debt due and payable to the Company.
- 10.12 Any Goods or Uncollected Goods stored by the Company are at the Bailor's risk.

11. WARRANTY

- 11.1 The Company gives the warranty contained in Schedule 1 in respect of the Goods (**Warranty**).
- 11.2 Subject to clause 13, where You are:
- (a) a consumer within the meaning of the Australian Consumer Law, our Goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Goods repaired or replaced if the Goods fail to be of acceptable quality and the failure does not amount to a major failure; or
 - (b) not a consumer within the meaning of the Australian Consumer Law, the guarantees referred to in clause 11.2(a) above do not apply.
- 11.3 The Warranty is given in addition to all statutory rights conferred on the Purchaser.
- 11.4 The Company does not make any promise, for example, that any part or repair facility in respect of the Goods will be available at any time or at any specified location, other than as expressly provided for in the Warranty.
- 11.5 The Company will use its reasonable endeavours to make available to the Purchaser the benefit of any guarantee or warranty given by the manufacturer to the Company in respect of any Goods not manufactured by the Company.

12. REPAIRS AND REPLACEMENTS

- 12.1 The Purchaser acknowledges and agrees that the Company shall carry out testing of any Goods or Bailed Goods, or component or part of the Goods or Bailed Goods, that:
- (a) are to be serviced or repaired under this contract; or
 - (b) have been returned under clause 16; or
 - (c) are to be replaced or repaired under clause 11,
- to the original specifications of those Goods.
- 12.2 Where testing occurs under clause 12.1, the Purchaser acknowledges and agrees that:
- (a) the Purchaser will release and indemnify the Company and hold it harmless in respect of any breach or any damage that arises during the testing as a result of Normal Wear and Tear in the Goods or Bailed Goods or that component of the Goods or Bailed Goods that has not been repaired or replaced; and
